PROJECTS

Portfolio website, Fall 2022

- Designed, developed, and implemented a Jekyll (Git Hub) Website to showcase my most recent projects.
- Utilized Git Hub, HTML, CSS, and Docker to implement the Jekyll website.

Senior Capstone, Fall 2022

Georgia Southern University, Savannah, GA

- As part of a three-member team, planned, developed, and assembled a Java/JavaFX application.
- Produced a database schema and file to store user information using SQLite.
- Created, organized, and documented software requirements and design.
- Utilized Java, JavaFX, and SQL to implement the application.

Game Programming, Spring 2022

Georgia Southern University, Savannah, GA

- Constructed and assembled an isometric arcade game in Unity.
- Utilized Unity, C#, and Visual Studio to implement the arcade game.

LEADERSHIP EXPERIENCE

Georgia Southern University, Office of Multicultural Affairs, Savannah, GA

Men of Vision and Excellence (MOVE), September 2021 – May 2022

President

- Created and implemented culture-specific programming.
- Planned, hosted, and set up seventeen academic and social events with executive board members.
- Presided meetings to discuss outcomes of previous and upcoming events with the executive board and general body members.
- Oversaw financial reports with the graduate assistant and treasurer.
- Collaborated to create programming budgets for academic and social events.

COMMUNITY INVOLVEMENT & VOLUNTEER EXPERIENCE

Treasure Savannah, October 2022, October 2019

- Provided Community service and helped Habitat for Humanity prepare planks of wood to be resurfaced and reused for future Savannah projects.
- Adjusted Salvation Army's inventory so it would be easier to transport items to and from the local warehouse.
